Legislative Study Committee Co-Chairs:

Continuously monitor proposed new legislation that directly affects property assessment processes in all major tax offices (Assessor, Auditor, Treasurer and Delinquent Tax Collector). Track progress of this legislation, and if the legislation is likely to be administratively detrimental to the tax offices, suggest position statements to the Executive Board and the appropriate county officials so they can contact their Legislators. Work in consort with the South Carolina Association of Counties to ensure lobbying efforts are effectively implemented.
